

STEWART RHODES: If I was you right now I would tell him that it's like the Czar in Russia, that if he doesn't act now to use his Presidential power and save our country then it's going to fall to the communists and they are going to do to him and his family what happened to the Czar and his family. The Romanovs. They convinced him to step down and promised him he's going to be safe. And once

STEWART RHODES: That's what's going to happen to the Trump family too. You know. It might be in prison—could be raped and shanked in prison—but they'll still wind up dead. That's the reality. And not just them, it's all of us too.

WITNESS: Well, most people don't have a clue what war is like. The-y don't have a freakin' clue, alright? I've been to war multiple times, you know?

WITNESS: And I can tell you right now I don't wish civil war upon anyone.

STEWART RHODES: You're gonna' have it bud, its gonna' come anyway.

[Overlapping]

WITNESS: You know I mean I don't want it...I.

[Overlapping/background noise/shuffling]

STEWART RHODES: What's your way out of it? What do you think is gonna' happen. What's, what's do you think is gonna' happen when Biden gets in there and then turns the Insurrection Act against us? We're all going to fight.

WITNESS: I don't think Biden's gonna' last that long, to be very straightforward.

STEWART RHODES: Well, okay, but when Kamala get in there

WITNESS: Which is a whole other issue so.

STEWART RHODES: You know what I'm talking about. When they get in there, they're going to turn it on us, they are. They'll declare an insurrect—she'll declare an insurrection against us, and use the Insurrection Act.

WITNESS: China's going...

STEWART RHODES: There's gonna' be combat here on U.S. soil no matter what. No matter what you think they'll do. It's coming. No way out it without fighting—you can't get out of this. It's too fucking late. They took over the Executive Branch, except for the Presidency. Everything else is swamp-creature run. He failed the drain the freakin' swamp. They took
